

Portland^{MONTHLY} TOP DENTISTS 2017

Congratulations!

You have been voted a 2017 *Portland Monthly* **TOP DENTIST!** In partnership with the respected national firm, topDentists, we have assembled our 8th annual directory of Portland's best-rated dentists—a list based on thousands of detailed evaluations of dentists and professionals by their peers. This year's list has been compiled for publication, and you are included!

Portland Monthly's 2017 Top Dentists feature will run in both August's issue of *Portland Monthly*—which has 456,390 readers—as well as our Newcomers' Guide, which is on newsstands from July – September and distributed to 40,000 new Portland residents. In addition to your editorial listing in the magazine, we would like to offer you the opportunity to advertise your practice with one of our special dental profiles; this advertising section runs as an insert alongside the editorial feature. You also have the opportunity to purchase an enhanced online directory listing on our searchable Top Dentists directory on pdxmonthly.com, which generates 549,000 monthly page views and hosts 268,000 monthly unique visitors. Enhanced listings give your practice increased visibility to reach new patients for 12 full months.

Portland Monthly is the largest-selling city magazine per capita in the United States, and the third best-selling magazine on newsstands in Portland. With a distribution of more than 50,000 copies per issue, *Portland Monthly* far surpasses the circulation of any other local magazine.

The space reservation deadline to be included in the Top Dentists special advertising section is Friday, June 9. Please contact Allen Gebarowski, Advertising Director at *Portland Monthly*, when you have a moment to discuss the options in detail: **call 971-200-7055 or email agebarowski@pdxmonthly.com**. We are excited to work with you.

Again, congratulations!
